Power tools for trade & industry

Accessory

BA 18-C

Flexible power source for uninterrupted work

The most important data

Part Number 1 608 M00 C4B

Technical data

Technical data

Weight, approx.	0.19 kg
Suitable for	GLL 18V-120-33 CG, EXLL18V-120-33CG

**BOSCH**

Invented for life

Product data sheet

Power tools for trade & industry

Advantages:

- Hassle-free compatibility with the GLL 18V-120-33 CG for a smoother work experience
- Switch easily between 4xC alkaline batteries and the Bosch Professional 18V rechargeable battery, so that you never have to stop working
- Increased flexibility as part of the triple power source concept, allowing you to switch between Bosch 18V and 12V Li-Ion batteries, as well as alkaline batteries
