

# Product data sheet

Power tools for trade & industry

Battery Pack

BA 3.7V 1.0Ah A

Continuous power supply for enduring jobs

## The most important data

**Part Number** 1 608 M00 C43

## Technical data

### Technical data

Weight, approx.	0.03 kg
Suitable for	GLM 40-31, GLM 50-22, GLM 50-23 G, GLM 50-25 G, GLM 50-27 C, GLM 50-27 CG, GLL 50 G, GLL12-22, GLL 12-22 G, GMS 100-23, GMS120-27, GDM 600-15, EXDM600-17, GDH 1-17, GMC 600-15, EXMC600-17, GFM 1000-15, GMP 1-13, GMP 2-15, GMM 1-15, EXMM3-17
Battery type	Li-Ion
Battery capacity	1 Ah
USB Charging Connection	USB-C®
Charging time 80 %	110 min
Charging time 100 %	195 min

**BOSCH**

Invented for life

# Product data sheet

Power tools for trade & industry

---

## Advantages:

- Rechargeable during operation, it features continuous power supply
- Li-ion technology ensures long battery runtime
- USB-C® connector provides flexible charging options by various 5 V power supplies
