Cordless Hydraulic Punching Tool

GLH 18V-60

18V Hydraulic Punching Tool: Outstanding Maintenance Interval and Accessories

The most important data

Punching force max	60 kN
Capacity steel max	3 mm
Capacity stainless steel max	2.5 mm

Part Number 0 601 9P0 200

Technical data

[#{t-productdetailpage_tools.technical-data.bi.additional-data}](#)

Capacity stainless steel max	2.5 mm
Capacity steel max	3 mm
Head rotation	360 °
Punching force max	60 kN
Automatic retraction	Yes
Intelligent punching detection	Yes
Maintenance interval	20.000 cycles
Manual pressure release	Yes
USB connector	Yes
Manual retraction stop	Yes
Read-Out Functionality	Yes
Work light	Yes
Automatic pressure limitation and monitoring	Yes
USB mode	USB 2.0
Punching time	2 s to 5 s (for ST37 3.0mm with 16,2mm Punch)

**BOSCH**

Invented for life

Product data sheet

Power tools for trade & industry

Advantages:

- Strong, reliable hydraulic punching resulting in clean and burr-free cuts
- Wide range of Bosch accessories in sizes M16-M40 and PG9-PG36 suitable for both steel and stainless steel available
- High performance with reliable output force of 60kN maximum, thanks to electronic pressure monitoring
- Convenient overview of tool history, important parameters and maintenance cycles through USB connection and readout software
