

Product data sheet

Power tools for trade & industry

Detector

GMS 120-27

Clear and simple: the intuitive wall scanner that makes the invisible visible

The most important data

Max. detection depth	120 mm
Bosch Radar Technology	no
Detectable objects	magnetic metals (e.g. iron), ...

Part Number 0 601 081 700

Technical data

Technical data

Bosch Radar Technology	no
Detectable objects	magnetic metals (e.g. iron), non-magnetic metals (e.g. copper), live cables, wooden substructures
Max. detection depth	120 mm
Detection depth, magnetic metal, max.	100 mm
Detection depth, non-magnetic metal, max.	120 mm
Detection depth, live cables, max.	50 mm
Detection depth, wooden substructures, max.	30 mm
Dust and splash protection	IP 54
Material identification	Magnetic metal, Non-magnetic metal, Live cable, Non-metal material
Power supply	2 x 1.5 V LR6 (AA), 2 x 1.2 V HR6 (AA), 1 x BA 3.7V 1.0Ah Li-Ion battery
Weight, approx.	0.29 kg
Additional function	Marking hole

**BOSCH**

Invented for life

Product data sheet

Power tools for trade & industry

Advantages:

- Gives you confidence by detecting metal, live wires, and wooden studs behind the wall
- Easy to use with simple mode selection and marking hole
- Built for operation on tough job sites thanks to shock-absorbing rubber casing and IP54

PROTECTED TOOLS
Impact | Water | Dust
