Cordless Impact Drill/Drivers

## GSB 18V-65

The compact, robust impact drill for tough screwdriving applications

### The most important data

|                                     |                         |
|-------------------------------------|-------------------------|
| Torque (soft/hard/max.)             | -/-/76 Nm               |
| No-load speed (1st gear / 2nd gear) | 0 – 550 / 0 – 2,100 rpm |
| Battery voltage                     | 18.0 V                  |

**Part Number** 0 601 9N3 301

## Technical data

### Technical data

|  |                         |
|--|-------------------------|
| Torque (soft/hard/max.)                        | -/-/76 Nm               |
| No-load speed (1st gear / 2nd gear)            | 0 – 550 / 0 – 2,100 rpm |
| Battery type                                   | Lithium-Ion             |
| Max. impact rate                               | 27,000 bpm              |
| Chuck capacity, min./max.                      | 1.5 / 13 mm             |
| Battery voltage                                | 18.0 V                  |
| Weight excl. battery                           | 1.12 kg                 |
| Torque settings                                | 20                      |
| Packaging dimensions (width x length x height) | 360 x 444 x 151 mm      |
| Work light                                     | +                       |
| Chuck type                                     | 13-mm keyless chuck     |
| Tool design                                    | Pistol                  |

Invented for life

# Product data sheet

Power tools for trade & industry

## Advantages:

- Performs tough drilling applications with ease thanks to improved 65 Nm torque
- Compact and handy in tight spaces with a head length of only 175 mm
- Keeps you protected and in control with switchable KickBack Control
- Maximizes illumination coverage with dual working lights
- Powerful performance thanks to durable brushless motor and robust drive train
