Cordless Orbital Sander

## GSS 12V-13

Compact orbital sander for always-on-the-go professionals

### The most important data

|                |                  |
|----------------|------------------|
| Orbit diameter | 1.6 mm           |
| No-load speed  | 6000 – 10000 rpm |

**Part Number** 0 601 9L0 001

## Technical data

### Technical data

|                                                |                     |
|------------------------------------------------|---------------------|
| Battery voltage                                | 12.0 V              |
| No-load orbital stroke rate                    | 12,000 – 20,000 opm |
| Orbit diameter                                 | 1.6 mm              |
| Packaging dimensions (width x length x height) | 357 x 442 x 151 mm  |
| Delta sanding plate w/ hook-and-loop, length   | 150 mm              |
| Delta sanding plate w/ hook-and-loop, width    | 100 mm              |
| Sanding plate w/ hook-and-loop & clamp, length | 100 mm              |
| Sanding plate w/ hook-and-loop & clamp, width  | 110 mm              |
| Weight excl. battery                           | 0.8 kg              |
| No-load speed                                  | 6000 – 10000 rpm    |

## Noise/vibration information

### Sanding panel materials

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 3.6 m/s <sup>2</sup> |
| Uncertainty K               | 1.5 m/s <sup>2</sup> |

---

## Advantages:

- Maximum control thanks to excellent tool balance and superior ergonomics
- Lean 12V design for ultimate compactness
- Intuitive operation with three interchangeable sanding plates
