Cordless Angle Grinder BITURBO

GWS 18V-15 P

BITURBO brushless angle grinder with PROtection switch – equal to 1,500 W corded power

## The most important data

|                                    |            |
|------------------------------------|------------|
| Battery voltage                    | 18.0 V     |
| Speed output no-load, nominal max. | 11,000 rpm |
| Disc diameter                      | 125 mm     |

**Part Number** 0 601 9H6 A00

## Technical data

### Technical data

|                                                |                    |
|------------------------------------------------|--------------------|
| Disc diameter                                  | 125 mm             |
| Packaging dimensions (width x length x height) | 155 x 375 x 155 mm |
| Speed output no-load, nominal max.             | 11,000 rpm         |
| No-load speed                                  | 9,800 rpm          |
| Battery voltage                                | 18.0 V             |
| Grinding spindle thread                        | M14                |
| Bore size, diameter                            | 22.2 mm            |
| Weight excl. battery                           | 2.2 kg             |

## Noise/vibration information

### Surface grinding (roughing)

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 4.9 m/s <sup>2</sup> |
| Uncertainty K               | 1.5 m/s <sup>2</sup> |

### Sanding with sanding sheet

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 2.5 m/s <sup>2</sup> |
| Uncertainty K               | 1.5 m/s <sup>2</sup> |

## Advantages:

- Powerful BITURBO Brushless technology delivers cordless performance equal to 1,500 W corded power
- Intelligent brake quickly brings the disc to a standstill so you can store your tool with peace-of-mind
- PROtection switch, KickBack Control, Drop Control, soft start, and Vibration Control
