

BOSCH

Warranty promise

All Bosch power tools, pneumatic tools, measuring tools and garden tools are carefully checked, tested and are subject to the stringent controls of Bosch Quality Assurance.

Bosch provides a warranty for a period of 12 months in accordance with the following provisions for any defects on the Tool if it can be verified that the defects were caused by a material or manufacturing fault within the warranty period.

Batteries carry a 6 months warranty.

The warranty period begins from the time the Tool is purchased from new as stated on the original sales receipt.

The warranty does not cover:

- **Normal wear-and-tear parts**
- **Accessories & attachments**
- **User-related damage, lack of maintenance and unauthorized use**
- **Tools used with incorrect current/electrical supply**
- **Non-genuine / modified tools and spare parts**

The company does not accept any responsibility for any misuse of the product and cannot be held liable for consequential damage.
